* Disk space requirement varies depending on size of partition. The MATLAB installer will inform you of the hard disk space requirement for your particular partition. Installation size will be determined by the installer and can vary for NTFS and FAT formats.

Graphics

- 16-, 24- or 32-bit OpenGL capable graphics adapter
- DirectX 9.0c (August 2005) or later

Compilers (for MEX Files)

- View an up-to-date list of *supported compiler* versions from third-party vendors.

License Management

- Some license types require a license server running FLEXnet v11.11.1.2, which is provided by the MathWorks installer. A license server that is serving multiple releases of MATLAB must use the version of FLEXnet shipped with the latest release of MATLAB being served.
- TCP/IP is required on all platforms when using a license server.
